MESSAGE FROM THE PRINCIPAL

It is a matter of great pride and satisfaction for Beltola College to bring out the Newsletter 'PANOROMA', released by the IQAC. The College has made significant progress across all areas – academic, non-academic, and capacity-building – relevant to staff and students. As we navigate an ever-evolving world, our commitment remains steadfast: to provide a holistic and student-centric environment that nurtures not only academic excellence but also character, values, and essential life skills. The College has achieved another milestone in getting a B+ in NAAC Accreditation. I am confident that this issue of the Newsletter will send more positive vibes to the staff, students, and all the stakeholders of this institution. A Newsletter is like a mirror that reflects the clear picture of all sorts of activities undertaken by the institute in general. I extend my heartfelt congratulations to the entire editorial board for their tireless efforts in capturing these moments and bringing this newsletter to fruition.

Thank you to all stakeholders – management, staff, parents, and students—for your continued trust and support in our shared vision. Together, we will continue our journey with elevated enthusiasm, making this institution a modern temple of learning through our diligence, devotion, and dedication.

Wishing you all the best in your endeavors!

With warm wishes and best regards,

Dr. Ajit Borkotoky
PRINCIPAL
BELTOLA COLLEGE
